Representatives from the Red Cross organization in Valandovo expressed their gratitude for the support and pointed out that Sardich MC is the first company that remembered the children from socially disadvantaged families during the New Year holidays.

"We express our profound gratitude to Sardich MC for their wish to hand out New Year gift bags to the children from socially disadvantaged families.

I must say that this is the first time any company has decided to hand out New Year gifts to the socially disadvantaged families in the Municipality of Valandovo.

On our behalf, and on the behalf of the children, we thank Sardich MC for their trust.

I hope that the Red Cross and Sardich MC will continue to cooperate in the future" stated Aleksandar Dimov from the municipal Red Cross organization in Valandovo.

New Year holidays are a time for expressing joy and sharing gifts. Therefore, we used this period in the year to share gifts, but we did not stop there.

As a socially responsible company, we work hard and contribute to a better life for all people.

A BETTER SOCIETY FOR ALL PEOPLE WITH OUR PLAN FOR INTEGRATION OF SOCIALLY DISADVANTAGED FAMILIES

Employment of people from socially disadvantaged families, providing them with additional qualifications such as courses, trainings and practices that will be provided by Sardich MC.

This is our next step, with the aim of creating a better society for all people.

The Company has already developed a plan for integration of the people from this region.

As a socially responsible company, Sardich MC has been operating on the territory of the Municipality of Valandovo for a number of years, through its branch office in the village of Pirava.

We will continue on the same path in the future.
